From (Name) T.G. RUTHERFORD ESQ., C.I.E., I.C.S.,
(Designation) Commissioner of Labour, Madras.

To The Secretary to the Government of Madras,
Public Works & Labour Department.
Fort St. George.

Sir,

The Collector of South Kanara has sent me plan and estimate for the construction of an additional building for the boys boarding home maintained by the Depressed Classes Mission, Mangalore and recommends the sanction of a grant equal to half the cost of the work. I enclose a copy of his letter No.D.Dis.806/35-S dated 10-10-1935 for the information of Government. The estimated cost of construction of the building is Rs.4,550/- The grant required by the Mission is Rs.2,275/-

P.3 infra

2. I understand from the Secretary of the Mission that if they are not able to proceed with the building next year they will probably lose the money promised by a lady for

for the remaining half cost. The Boarding Home run by the Mission mostly takes children from our labour schools who want to be educated above 3rd standard and though run by the Servants' of India Society is practically a Government institution as Labour and Educational Departments between them supply in the shape of grants about 4/5ths of the expenditure other than that for supervision. I support the recommendations of the Collector and request that the Government may be pleased, if possible, to include the proposal under Part II scheme and to make a provision of Rs.2,275/- for the same in the budget of 1936-37. Detailed proposals for sanction of the grant will be submitted to Government in due course in adcordance with the provisions of the Grant-in-Code. I regret I could not send this proposal on the due date owing to late receipt from the Collector, who apparently kept the application with him for a short time till he could conveniently inspect the Boarding Home and satisfy himself that extension was desirable and the proposed site suitable.

I have the honour to be,

Sir,

Your most obedient servant,

for Commissioner of Labour.

Copy of letter No.D.Dis.806/35-S dated 10th October 1935 from the Collector of South Kanara, Mangalore, to the Commissioner of Labour, Madras.

Grants - Non-recurring - Depressed Classes Mission - Mangalore - Boys' Boarding Home - Construction of a building - Part II Scheme - 1936-37 - Proposal.

A | The Secretary of the Depressed Classes Mission, Mangalore, has sent me a plan and an estimate for the construction of an additional building for the Boys Boarding Home maintained by the Mission. He says that the proposed extension has been found necessary in view of the increased demand from Adi Dravida pupils for admission into the Boarding Home. It appears that, during his last visit to the institution, the Commissioner of Labour has remarked that the number of pupils in the Boarding Home is rather large for the accommodation available. I have also inspected the existing building and I am convinced that the necessity for an additional building is real.

B |

2. The new building is proposed to be constructed partly on the land alienated in favour of the Mission and partly on the Government land adjoining it. I am asking the Secretary to apply for the alienation of the Government site also in favour of the Mission.

3. The total cost of the work according to the estimate comes to Rs.4,550/- The Secretary undertakes to meet half the cost of the work from the donations received by the Mission for the purpose and applies for a Government grant equal to theother half of the cost of the work. I recommend the sanction of the grant and request that the proposal may be included under Part II scheme for 1936-37.

4. The plan and the estimate in respect of the work are enclosed.

NOTE BY THE ADMINISTRATIVE DEPARTMENT.

A non-recurring grant of Rs. 1,600 was sanctioned by Government in 1928-29 for improving the Boys' Boarding Home maintained by the Depressed Classes Mission, Mangalore, and another sum of Rs. 190 for repairs in 1930-31. The Secretary of the Mission now proposes to construct an additional building for the Home, extension having been found necessary in view of the increased demand from Adi-Dravida pupils for admission into the Boarding Home. The total estimated cost of the work is Rs. 4,550. The Secretary of the Mission applies for a Government grant equal to half the cost of the work (viz., Rs. 2,275), and undertakes to meet the other half from donations received by the Mission for the purpose. The Boarding Home run by the Mission mostly takes children from labour schools who want to be educated above the third standard and, though run by the Servants of India Society, is practically a Government institution as the Labour and the Education Departments between them meet in the shape of grants about four-fifths of the expenditure other than that for supervision. Both the Commissioner of Labour and the Collector of South Kanara have inspected the existing building and are convinced of the necessity for additional accommodation. The proposal to make a half grant of Rs. 2,275 is recommended for acceptance.

W. SCOTT BROWN—16-11-35.

NOTE BY THE FINANCE DEPARTMENT.

The proposal may be placed before the Finance Committee as a Part II Scheme for 1936-37.
